Builder of "Duz," Champion E Boat at Channel Lake

Trial With "Copperhead" Made on Local Chain O' Lakes

What is probably the fastest class E boat in the world was buzzing the shores of the local lakes this morning, when L. A. Pennington, owner and driver of the "Copperhead," was trying out some minor changes made to the motor. The "Copperhead" was brought from Santa Monica, California by Pennington and Willard Campbell, builder of a number of boats of this design.

The "Copperhead" has finished first in each of the Midwest Power boat assn., race meets held in the midwest during the past three weeks. Competition has been met and surpassed at Davenport, Hannibal, Muskatine, Ia., and at Chetek, Wis.

The men and Mrs. Pennington, are guests of Cesare Molinari at Channel lake, and had hoped to be able to compete with race boats of the region, but a previous entry into the races for this coming Sunday at Green Bay, Wis., will make this impossible.

The Copperhead has set an unofficial mark of slightly over 63 miles per hour and seems likely to raise the world's record of 60 miles per hour set by the "Duz" last season. The Duz is also a product of Campbell's boat factory at Santa Monica.

See Building Boom for Antioch in Fall

Antioch may see much new building construction before the summer is over as the result of relaxing of government controls and business expansion.

Badly needed grocery store buildings are now a possibility and some new homes are to be built.

Construction of a building which will house the National Tea Co. store will be started within the next 30 days by William Rosing of the Ford garage.

The building will be situated adjoining the garage on the south and will be 50x125 feet in dimension. It will have a stone front and brick sides.

Rosing said that plans are to be completed next week and that the contract probably would be let soon afterward.

Housing of the food store in the new building will return to the Ford company the front of its place of building formerly used as a display and office room. During the war the room was converted into a grocery room.

Buy Building

A. W. Shunneson of the firm of Shunneson and Son has announced the purchase of the building on Lake st. next to the theatre which the firm has occupied for some time. The building was bought from Claire and Ernest Kelly, the former a machinist in Kenosha and the latter a registrar for Armour Institute in Chicago.

The building is one of the oldest in Antioch and considered a landmark. Shunneson said he did not contemplate rebuilding.

Buy Rosings Interest

Frank Kennedy has purchased the partnership interest of William Rosing in the Shell oil station at Main and Lake sts. He has been manager of the station for some time.

Kennedy is also planning to build a five-room house at 731 Main st., to be occupied by his son, Frank, Jr.

New A&P Building Possibility
Although Dr. Stanley D. Anderson of Grayslake could not be reached today for verification, rumor has it that construction of a new building to house the local A&P store will start in the very near future. Earl Gibbs, manager of the Antioch store, said today that everything was in readiness for the start of the building some months ago when restrictions on new building went into effect and halted the plans. Now, however, with the lifting of the restrictions, Gibbs believed that the building will be started soon. The location is the north east corner of the junction of Lake street and the new street which runs from Lake to Orchard.

A new building to house the fire department is an assured certainty, and a good many houses of various sorts are already in the blueprint stage and as materials become more readily available, it is believed that Antioch will experience a belated building boom, which has been evident in other communities of the region for many months.

Everett Hatfield Chosen District Vice-Commander of the American Legion

Everett R. Hatfield, outgoing commander of the Antioch American Legion post, was elected junior vice-commander of the Tenth district at the district meeting in Waukegan Saturday.

Hatfield, a World War II veteran, was given recognition because of his

activity in adding new members to various posts, having brought the membership of the Antioch post to an all-time high. He takes his place with World War veterans as an outstanding executive.

William H. Dowden, a member of the Evans-Watkins post, was chosen district commander; Fred N. Schuster, Mundelein, as senior vice-commander; Harry Keefe, Gurnee, sergeant-at-arms; and Charles Prizer, Lake Bluff, was elected senior vice-commander to the second division.

Four delegates and four alternates were chosen for the national convention in New York next month.

Grass Lake Residents Plan Party to Finance New School Building

With the school building fund still about \$3,000 short of the goal, the Grass Lake patrons set out this week to raise the money through parties.

First of these will be held at the Marine Grove resort at Petite lake at 8 p. m. Monday, Aug. 4, and the public has been urged to attend and participate in the various events.

Those interested in the project are hoping that the goal can be reached quickly so that the school can be built and put into operation soon.

Legion Auxiliary Plans For District Meeting

Tomorrow evening's regular meeting of the American Legion auxiliary at the Legion hall will be followed by a social hour over which Mrs. Lucy Himmens, as social chairman for July, will have charge.

The tenth district auxiliary organization will choose a vice president for the second division at the next quarterly meeting Wednesday, Aug. 13, at Zion. All unit chairmen are asked by the president to forward their annual reports to the district chairmen by Aug. 10 and plan to attend the meeting.

Catch of Large Pike in Lake Marie is Reported

Mrs. Anna Dressel and son, Rudie Hayek and John Ditz and wife, Agnes, are visiting Mr. Charles Zapp, Antioch cigar maker, for two weeks and are having a great time. On July 16 Mr. Zapp went fishing and in the morning caught a bass weighing 4 and one-third pounds with a worm as bait, and the same day he caught a wall-eyed pike, 21½ inches long, the first one of the kind he has caught in Lake Marie in 52 years. He caught the pike in front of Otto Faltnek's estate about 200 yards from shore.

Wiesbaden, Germany—Pfc. Richard W. Edwards, son of Mr. and Mrs. Richard W. Edwards, of Route 1 Round Lake, Ill., will have much to tell about Germany when he returns to the States. Wiesbaden itself, now the home of the Headquarters, United States Air Forces in Europe, the organization policing occupied Germany from the air, is one of the most famous spas and health resorts of pre-war Europe. Pfc. Edwards has found much of interest in the city where he serves with Signal unit of Headquarters Command.

Rescue Squad Answers Variety of Calls over Week-end in Vicinity

Death From Heart Attack And Drowning Are Reported

The Antioch Rescue squad answered three calls over the weekend of widely different natures.

The first call came Saturday afternoon when Alfred James Foster, 64, Concordia, Kan., succumbed to a heart attack while playing on the 18th fairway at the Chain O' Lakes Country club golf course.

The squad attempted to revive Mr. Foster, but on his arrival Dr. A. N. Berke, Antioch, pronounced Foster dead. The inquest was held at the Strang funeral home and the body was taken to Chicago.

Playing with Mr. Foster at the time were John Dittus, Petite Lake Park, and George Bennin, 5920 N. Clark st., Chicago.

A second call came from Fox Lake where a Chicago youth drowned. Because the Fox Lake squad did not remain long.

The squad took Mrs. Rose Morano, 29, of 6206 S. Tripp ave., Chicago to Victory Memorial hospital after she had suffered a fractured collar bone in a collision on Grand ave. at Deep Lake road Sunday night.

Mrs. Morano and her husband, Marco, were riding in a car that was struck from behind by a car driven by Donald E. Erickson, 2835 W. 79th ave., Elmwood Park. They were driving slowly to make a turn on Deep Lake rd. She was given treatment by Dr. Irving Breakstone.

Former Antioch Student Will Sing With Famous Westminster Male Choir

Marvin Fennema, son of Mr. and Mrs. Andre Fennema, Sr., of 7317 38th Ave., Kenosha, Wis., formerly of Antioch, has been engaged as a member of the internationally famous Westminster choir, for the season 1947-1948. John Finley Williamson, founder and conductor of the choir, made this announcement at Princeton, N. J., recently.

Fennema graduated from the Antioch Township High school in 1936. In 1941, he received his Bachelor of Music degree from the University of Wisconsin where he was soloist with a capella choir and was a member of the Wisconsin Players. In 1942 he received his masters of music degree from the same university, and was again soloist with a capella choir and was also a member of the glee club.

Fennema was soloist and director of the choir at the University Methodist church in Madison, Wis., directed the Wesley Men of Song for two years, and was soloist at the First Methodist church in Kenosha. He was a voice pupil of E. Earle Sevinney of the University of Wisconsin.

"As a member of Westminster Choir, he will spend the summer at the training headquarters in Manteo, North Carolina, in preparation for an extended concert season during the winter months. The choir will tour the New England states, the Maritimes and Canada in early October, the midwest in November, and the West Coast in April. In addition, the choir will appear with the New York Philharmonic Symphony Society in six performances under the direction of Charles Muench and Dr. Bruno Walter.

All-Day Outing Planned For All Groups Engaged In Recreation Program

All all-day all-group outing is scheduled for next Wednesday in the recreational program for Antioch's young people if enough automobiles can be obtained to take the crowd to Fox River County park.

The day's program will call for luncheon, games and races with swimming at Silver lake in the afternoon. In case of rain the event will be postponed to Thursday.

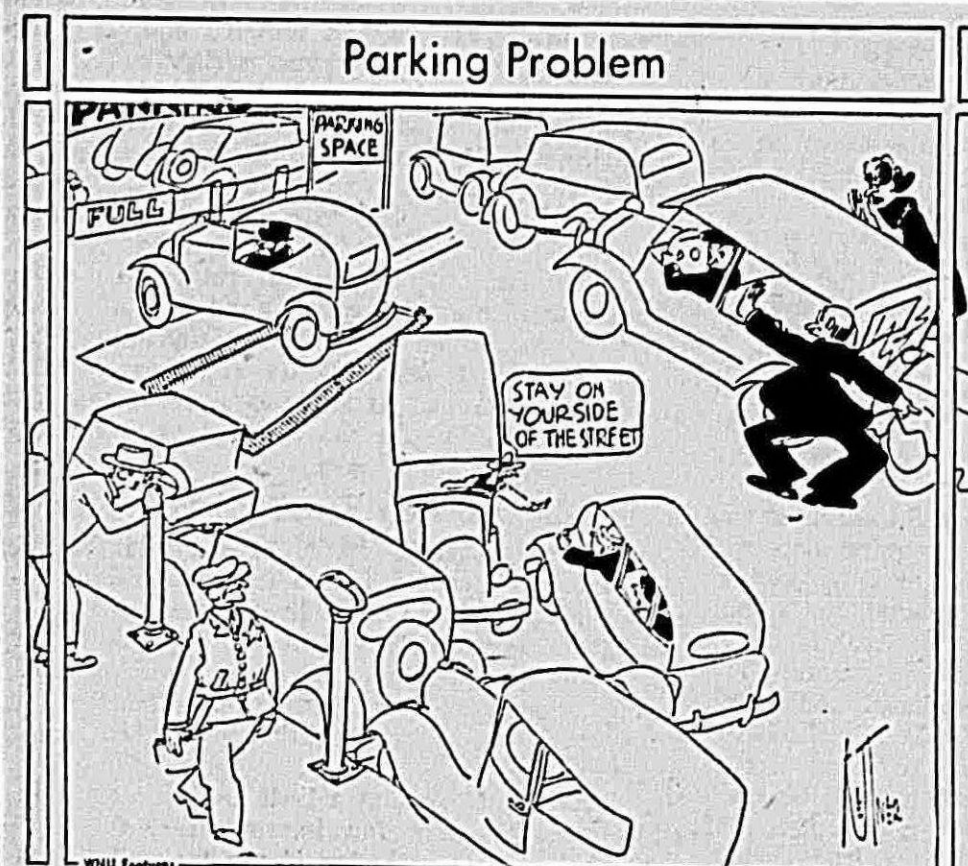

Tomorrow from 9 to 12 the morning groups may all come together for a treasure hunt. From 1 to 4 p. m. there will be a bike hike.

On Monday there will be handicraft.

Joint 4-H Achievement Program

The Cedar Lake and Antioch Aces 4-H clubs will hold a joint 4-H achievement program at the Antioch grade school Wednesday, July 30, starting at 8 p. m.

The public is invited to attend and to view the accomplishments of the clubs.

Many Ways to Prevent "Act of God" Accidents Discovered by Antioch Farmers, Baskin Says

Resume Boat Races at Fox Lake Next Sunday

Motor boat races that were stopped shortly after they were begun Sunday afternoon because of an accidental drowning of a young spectator, will be resumed at the Mineola hotel at Fox Lake next Sunday.

The sudden squall which interfered with the race and caused the drowning came just after the first races were run, and it is probable that all races will be run again.

It is probable that two new entries will be found on the list. The Antioch Mystery boat may be ready for this meet. The owners found after earlier tests that the shape of the bottom of the boat was not conducive to its best speed and the change is being made.

Joe Frieslinger's "Tramp" is to be back in competition again with an entirely new motor. The boat now has a Krasek motor with overhead cams and a 210 cubic inch capacity. Krasek is well-known in automobile racing circles, having been a builder of racing motors for many years, and the installation of a race car motor in a Class E racing hull is causing much conjecture and interest among boat enthusiasts.

St. Peter's School Fund Carnival Set for Next Week-end

A carnival, proceeds of which will benefit the St. Peter's school fund currently being raised to finance the school, will be held on the church property next Thursday, Friday, Saturday and Sunday, July 31, Aug. 1, 2 and 3.

A variety of amusements and other entertainment will be provided. The booths will be manned by members of the parish as well as summer residents. A welcome is extended to all residents and visitors of the locality.

Picnickers Headed for Antioch in Bus Crash at Maywood, Ill. Last Sunday

A bus load of men and women headed for a summer resort near Antioch never arrived here Sunday because of an accident which sent 11 persons to a Maywood hospital.

The bus crashed into the front of the Maywood Bargain store on Lake st., at Fifth ave., in Maywood when the braking mechanism broke and left the driver helpless in stopping.

Joseph Polack, 31, driver maneuvered the bus into an eastbound lane of Fifth ave., and swung onto Lake st., to avoid collision with cars waiting for a stop sign to change, and finally had to crash into the store to bring the vehicle to a stop. None of the picnickers was said to have been seriously hurt.

Picnic at Long Beach, Calif.

The forty-first annual Illinois summer picnic will be held Saturday at Bixby Park, Long Beach, Calif., which Illinoisans from all over Southern California will attend. After a picnic dinner a program at 1 p. m. will be opened by Long Beach's municipal band with Lt. Gov. Goodwin J. Knight serving as guest speaker.

Chicago Youth Drowns Attending Boat Races at Fox Lake Sunday

Two Companions Rescued From Capsized Row Boat Near Mineola Hotel

An inquest was held at the Strang Funeral home Tuesday afternoon in the accidental drowning of Eugene Bartosik, 14-year-old Chicago youth whose body was recovered Monday evening from the waters of Fox Lake where he sank Sunday afternoon.

Young Bartosik and two companions were being towed in their row boat by a Chris-craft motor boat in effort to get to shore from a sudden squall when the wake of the larger boat caused the smaller one to capsize.

The two companions, John Zakowski, 16, and Frank Romanak, 11, were rescued but Bartosik sank immediately.

Firemen and police of Fox Lake worked 18 hours in dragging the lake before the body was found. The accident occurred about the middle of the lake in front of the Mineola hotel where the boys had been watching the motorboat races.

The Antioch rescue squad was called and it lent its equipment to the Fox Lake squad. The body was found a short distance from where the boy sank and was in about 26 feet of water.

Mr. and Mrs. Frank Bartosik, 918 W. 31st st., Chicago, came to Antioch Tuesday and claimed the body, taking it to Chicago for burial.

Century-old Building Destroyed at Wilmot

A building, believed to be more than 100 years old, was totally destroyed by fire Tuesday evening at Wilmot, Wisconsin. The building was the property of R. L. Hegeman and has been converted into a warehouse for the storage of hay and drug store supplies.

The fire occurred at 10 p. m. and its cause was not discovered. Two fire departments, Wilmot and Silver Lake, were called and succeeded in keeping the fire from spreading to other buildings nearby. Telephone service was interrupted when the fire burned the main circuit wires.

Sunday Inspection Day At Kenosha County's Model Pheasant Farm

The Kenosha County Conservation club has set Sunday, July 27, as inspection day at the Kenosha County Pheasant farm, two miles west of highway 41 on highway 50.

The farm is raising 1,800 birds which will be released in the very near future.

Paul L. Gorham of the conservation department at Springfield, Ill., says this is the finest set-up for pheasant propagation he has ever seen.

Mrs. Jeanette Wells, 83, Oldest at Farm Picnic At Gages Lake, July 16

Mrs. Jeanette Wells of Antioch, was awarded a prize for being the oldest woman at the Farm and City picnic, Gages Lake, Wednesday, July 16. She is 83 years old.

Mr. and Mrs. Paul Althaus of Antioch tied with Mr. and Mrs. Edwin Bauer of Ingleside for having the most children present. Both couples had five children.

Ten thousand persons attended the picnic. Jane Totterdell, 19, Waukegan, was chosen city queen and Betty Lou Anderson, 16, of Volo, was selected as country queen in the popular vote.

Field in conjunction with the picnic was the Black and White show, in which prizes were awarded boys and girls as well as adults for showing of fancy Holstein cattle. LeRoy Wegener of Ingleside won the cup for the champion female shown by a 4-H or Future Farmer member.

Tim O'Connell Is Returned From Hospital Sunday

Tim O'Connell, who suffered a heart attack on July 12 and has been in Victory Memorial hospital, was returned to his home on last Sunday and is reported to be recovering. Although his recovery is well underway, he is still confined to his bed and is not allowed to have visitors.

Large Attendance Expected

A large attendance is expected Sunday at the Congregational church in Millburn where Dr. John W. Holland, radio speaker, will preach. A potluck dinner will be served at noon following the service and the afternoon will be spent socially.

The Ultimate Challenge

It has been said that hunger and cold are communism's most efficient allies. That aphorism underlies the present United States foreign policy, with its emphasis on material aid to nations threatened by Soviet diplomatic and economic aggression.

France is a perfect example of this. France must have two basic materials from the United States—and if she doesn't get them from us, the way will be paved for her complete descent into totalitarianism. One of the commodities is wheat—France's own crop will be only about one-fifth of her normal pre-war crop. The other commodity is coal—and, to quote a Life editorial, "Coal for France means the difference between just getting by and utter industrial collapse."

Fortunately, the United States will have a bumper crop this year, and filling France's requirements will not be an excessive drain. Coal, however, is another matter. We have plenty of it in the ground. But it cannot be used to aid France or to serve ourselves unless the miners get it out. To quote Life once more, "The man who burns coal in Main Street must understand why he must conserve just as clearly as John L. Lewis must understand the necessity of avoiding a coal strike." If we fail to deliver the coal, we will be playing straight into the hands of the communists. If France ever enters the Soviet orbit, the iron curtain will soon cover all of Europe.

What this amounts to is that American materials are now a diplomatic weapon. If the greatest democratic power in the world cannot succor distressed peoples, stricken nations will turn to the greatest dictatorship in the world, and the cause of human freedom will be irretrievably damaged. Here is the ultimate challenge—to American industry—and to American labor.

To But One End

It would seem that it has been well demonstrated to the peoples of the world, including the United States, that government planning and management of industry lead to but one end—the totalitarian state, in which the people exist for the government.

This fact should be pondered by those who believe that it is possible to let the government dominate

some phases of our economic life—and at the same time permit enterprise in other phases. Such a belief is based on one of the most dangerous of all theories—that a nation can have an economy which is partly socialist and partly free. That theory has long been tried in other countries, and in every instance socialism has swallowed free enterprise.

That is why our Federal program for socializing the electric utility industry has an importance which cannot be measured by its effect on this industry alone. It directly contradicts all the basic principles upon which this government was founded and on which it has grown great. Can any man seriously believe that if one basic industry is socialized by the state, with all the political power and patronage involved, that other industries will be unmolested? If it is a proper function of our government to furnish electricity, it is also proper for it to furnish us with food, newspapers, manufactured articles, housing, and everything else.

The wealth and power of this nation stemmed from the free enterprise system—and from a philosophy of government which said unequivocally that the rights of the individual were eternal and irrevocable. The greatest obligation of us all is to preserve that system and that philosophy for the generations to come.

The Low Down From Hickory Grove

Been galavantin' again. Been up to the City. I always come home with sore feet and a kink in my neck, and glad that I don't live amongst the stop and go signals and traffic whistles. But when 6 months roll around, there I am at the ticket window and preparing to take-off again. Something like the farmer going into town to get "light" and claiming "how he did dread it."

Things are getting a little better, maybe, in the city—but still room for improvement. On a street car, I asked the conductor if my "token" ticket was good on his line. He ripped out a raucous, "ya," meaning, I figured, "yes"—anyway he grabbed the token. It was a municipal-owned car—the guy was on civil service, it would be difficult to fire him. Anybody surmising that maybe city or Govt. ownership of anything is good for a community, or brings better service, he can try a street car ride like I am talking about.

And another thing—it concerns big business versus little business. Susie says to me as we passed a grocery store, look at the figs, let's have a few. We did. They were 45 cent a pound. In the next block at another store were some more figs—same kind—5 cents a pound. This last place, some day, it will be big business. Then along will come somebody running for some office or other—and pointing at the little store that gave skokum service for less, as a menace.

Yours with the low down,
JO SERRA

Mr. and Mrs. Russell Doolittle and their weekend guest, Miss Anne Mozek, of Waukegan, were dinner guests at the Gordon Bonner home.

Age Restrictions

A representative in the United States house must be more than 24 years old and a United States senator must be more than 30 years old.

Be Prepared for Winter Ills

MILLBURN

The fourth annual Millburn Home Sunday will be held at Millburn church July 27, with the church services beginning at 11:15, with Dr. John W. Holland, radio pastor of WLS Little Brown church of the Air as speaker. Pot luck dinner will be served in the dining room following the services. Bring food for the table and remain for dinner. Rolls, butter, coffee and ice cream will be furnished by the church.

Fourteen new members were added to the church membership at the church services Sunday morning.

The Pilgrim Fellowship, who had planned a picnic supper at Gages Lake for Sunday evening was obliged to have their supper in the church basement on account of rain.

Members of Millburn Unit of Home Bureau and their families and friends enjoyed a picnic at Fox River Park Friday, with about 50 attending. All enjoyed the program of games and races for the children and contests for the ladies provided by the committee. Mrs. Messner, Mrs. Sundin, Mrs. McCord and Mrs. Diedrich. The Peanut Pals disclosed their identity with a gift for each other.

Rev. L. H. Messersmith addressed the boys at Camp Hastings Sunday morning and the boys at Allendale school at 12:30 in addition to his regular church service at 11 o'clock in Millburn church.

Mr. and Mrs. Joe Gering, of Terre Haute, and Mrs. E. Lotz, of Elmwood Park, are visiting at the Messner home.

Miss Agnes Wincell, of Milwaukee, is a guest at the home of her sister, Mrs. W. C. Upton.

A large crowd attended the Eastern Star picnic in William Duncan's woods Sunday afternoon, but had to abandon the picnic early on account of rain.

The August Committee of Ladies Aid will sponsor an ice cream social at the church Thursday evening, Aug. 7.

The Couples Club enjoyed a weiner roast in Denman's woods Friday evening with Rev. and Mrs. Messersmith and Mr. and Mrs. Arthur Riegler in charge.

Mrs. Messersmith and her Sunday school class enjoyed a party in Denman's woods Monday evening.

Mr. H. J. Moheiser entertained 40 of his employees from his general merchandise store in Park Ridge with a picnic dinner at his farm home east of Millburn school Wednesday.

Jimmy Malmstrom, of Chicago,

spent several weeks with his grandparents, Mr. and Mrs. W. F. Wetzel and attended Daily Vacation Bible school.

Mrs. Howard Petty and daughters, Joanne and Carol, of Urbana, spent several days with her parents, Mr. and Mrs. Leslie Bonner. Mr. Petty joined them for the weekend and all returned to Urbana Sunday evening.

Mrs. Austin Savage, Mortimer Savage and Miss Josie Mann, who have sold their farm west of Hickory Corners, moved Saturday to the Phil Anderson house in Millburn.

Miss Lois Truax with the Fred Tebbin family, of Waukegan, left Saturday morning for an auto trip through the East, visiting Washington D. C., Niagara Falls and other points of interest.

Mrs. E. A. Martin is spending several days with her son, Richard, in St. Louis.

Mr. and Mrs. D. H. Minto and Miss Ruth Minto spent the weekend with their daughter and family, the Wallis Hines family in Lansing, Mich.

Mr. and Mrs. Carl Hollenbeck, of Kenosha, Mr. and Mrs. A. C. Grant and Mr. and Mrs. Hayden Grant and family, of Edison Park, were callers at the O. L. Hollenbeck home Sunday afternoon.

Mr. and Mrs. Ed Hoffman and son, George, and Mrs. Peter Tillich spent Tuesday in Chicago.

Mr. and Mrs. Frank Edwards spent Tuesday evening at the John Edwards home in Libertyville in honor of the fourth birthday anniversary of their grandson, Ronnie Edwards.

Mr. and Mrs. W. F. Wetzel are announcing the arrival of a granddaughter, Linda Ruth, born to Mr. and Mrs. O. H. Malmstrom in Chicago Tuesday.

Mr. and Mrs. Mare Edwards and son, Larry, of Forest Park, Miss Eva Webb and Mrs. E. H. Edwards, of West Chicago, were callers at the Frank Edwards home Tuesday evening.

Rev. and Mrs. Messersmith spent Tuesday in Chicago.

PLAY SAFE...

THROW AWAY THAT FRAYED CORD!

If lamp and appliance cords in your home are badly worn and beyond repair, replace them before they cause trouble. Serious damage can result from exposed wires. They cause short circuits, waste electricity, blow fuses. During the war, all of us had to get along with makeshift wiring of inferior quality. Today there is no reason why every home shouldn't have wiring that's both safe and adequate. You owe it to your family to check through your home for worn-out electric cords today. Replace every frayed cord with a new one of good quality. Then, lengthen the life of these wires by handling only the plug when disconnecting a cord from the wall socket—never yank an electric cord!

Zing, comes the swing to your sweetheart

How's that Buick sweetheart of yours? Still giving out with that eager Fireball power surge at a toe-touch? Still answering every light finger-touch on the wheel?

Most likely you'll answer, "It's doing very nicely, thank you." But years have a way of whittling away at performance—sometimes so slowly you don't notice it.

So you can be in for a whopping surprise.

Just wheel your car into our shop and treat it to some real Buick

care. The kind that comes from men who are truly fond of Buicks — who know what they can do and like to bring out all their oomph and go.

Let these men of ours test and tune your Buick with their special Buick tools. Let them replace anything that's worn with the right Buick-engineered part. Then, ZING, back comes the swing to your sweetheart.

Job for job, Buick car care costs no more than ordinary service. So, what's to lose? Come in to us whether it's for a tune-up, major or minor repair or regular lubrication. Your car rates it.

GEOMETRY? Ugh! But here it means Extra Comfort

Buicks take turns without swing or sway. This means more comfort and less fatigue every mile you travel. Credit that to the geometry of Buick front-wheel suspension.

The wheels are designed to bank slightly on curves—the inside wheel turns a degree or two sharper than the outside one. And they're hung at an angle that lets them give slightly to cushion road shocks.

So good Buick front-wheel service is a job for men who know Buick front-wheel action — who have Buick-approved checking equipment—who have at hand any needed Buick-engineered parts.

Another example of why Buick care keeps Buicks best. Whether it's for wheel alignment or any other attention, bring your car to us.

SOCIETY EVENTS

Antioch Rainbow Girls Attend State Assembly of Order in Springfield

Share in State Appointments And Are Provided Fine Entertainment

Sixteen Antioch Rainbow girls and their chaperons attended the 16th session of the Grand Assembly, Order of the Rainbow Tor Girls, at Springfield, July 17 to 20.

The group included Elsie Farnsworth, Mabel Lou Hunter, Jean Pagels, Virginia Ostrander, Virginia Gaa, Norma Jarnigo, Verna Mae Kufalk, Jane and June Hunter, Johanna Cobb, June and Virginia Petersen, Betty Jean McDougall, Jean Hardin, Shirley Ross and Beverly Baird. Mrs. Elmer Hunter, and Mrs. John Gaa served as chaperons.

The highlights of the convention were the tour and ball. The Masonic bodies of Springfield were hosts to 500 Rainbow girls by taking them to Lincoln's tomb, New Salem State park, and giving them a ball at St. Nicholas hotel where they provided escorts.

Antioch assembly was pleased over the Grand Assembly appointments. Elsie Farnsworth was appointed Grand drill leader; Virginia Gaa was appointed grand representative to Tennessee; and Jean Pagels was re-appointed grand representative to Massachusetts.

Mrs. Elmer Hunter will serve on the executive board.

Elsie Farnsworth served as grand page during the session and Mabel Lou Hunter gave the ode to the Rainbow flag which was written by the Rev. W. C. Henslee.

The next meeting of Antioch assembly will be on Monday, July 28, at 7:30 p. m. Annabelle Barthel is worthy adviser and announces that there will be initiation, June Hunter and her committee will serve refreshments.

O. E. S. OFFICERS HOLD PARTY

The O. E. S. officers club card party held Wednesday evening at the Masonic dining room was attended by fifty persons. Card prizes were awarded the winners and cake and coffee served.

DOUGHNUT AND HOME BAKERY SALE

Members of the Methodist Wesley Circles will hold a bakery and doughnut sale at the Wilton Electric Shop, Saturday, July 26th. Sale will start at 9 a. m.

ST. PETER'S CARD PARTY WELL ATTENDED

One hundred seventy-five persons attended the card party given for benefit of St. Peter's school fund at the St. Peter's hall Thursday evening. Luncheon was served following the card games.

Antioch Aces Hold Meeting
The tenth meeting of the Antioch Aces was held July 23 at the home of Suzanne Birkhead. Nancy Sheehan gave a talk on "The care of teeth." A demonstration on "How to Make Bound Button-holes," was given by Betty Jean McDougall. Refreshments were served and enjoyed by every one.

The next meeting will be held at the home of Joanne Osmond.

Dr. and Mrs. R. K. Lee, of St. Louis, Mo., are the guests of Mr. and Mrs. S. Boyer Nelson this week. Sunday dinner guests of the Nelsons were Mr. and Mrs. H. C. McNeal, of Des Plaines, Mo. Mr. and Mrs. Raymond Schwartz and son, Craig, of Kenosha, and Dr. and Mrs. Lee.

Mr. and Mrs. George Handley and daughters, Martha and Ann, of Chicago arrived in Antioch Sunday on their way home from a vacation trip to California and the west coast and are spending a few days with Mr. and Mrs. F. J. Handley. Other guests of the Handleys are Mr. and Mrs. Harry Kilstrom, of Hamburg, N. Y., and Mrs. Anna Pape, of Chicago. Mrs. Pape is visiting other relatives in Antioch and vicinity.

Births

MR. AND MRS. HAISMA PARENTS OF DAUGHTER

Mr. and Mrs. Gilbert Haisma, Jr., of Loon Lake, are the parents of a daughter "Jane Elizabeth", born July 8 at St. Therese hospital. Mrs. Haisma before her marriage was Miss Janet Ellis, daughter of H. Ellis, of Antioch.

PARENTS OF DAUGHTER

Mr. and Mrs. Roy W. Frasier, of Grass Lake Rd., Antioch, are the parents of a daughter, Carol Jean, born May 22, at West Suburban hospital, Oak Park.

Parents of Daughter

Mr. and Mrs. Frank Kennedy are the parents of a daughter, "Jill Francis," born July 21 at St. Therese hospital, Waukegan.

Parents of Daughter

Mr. and Mrs. Charles Ferris, of Lake Marie, are the parents of a daughter, "Marjorie Marie," born Friday, July 18, at Condell Memorial hospital, Libertyville.

Mrs. Frieda Wertz is a medical patient at St. Therese hospital, Waukegan this week.

Study Soil By Airplane

Illinois soil conservation directors will study soil erosion and its control from the air at the University

of Illinois and surrounding counties July 28 to 31. The expense of one

delegate from each soil conservation district is being underwritten by the

Mississippi Valley association. The delegates will make a 100-mile trip by air in studying soil conservation.

Are you making—

\$23.80 Profit on a 200-lb. Hog?

It can be done! With today's high prices on pork... many farmers on the Purina Plan are able to make \$23.80 in profit over feed cost on every 200 pounds of pork they take to market. And here are the figures to show that it can be done!

If hogs sell at \$26.00... corn costs \$2.00 bu... and
Pig and Hog Chow, \$6.20 a bag.
100 lbs. Pig & Hog Chow at.....\$ 6.20
11 bushels corn at \$2.00 bu..... 22.00

Total feed cost.....\$28.20
Money received for 200 lbs. pork.....\$52.00
Cost of feed to produce 200 lbs. pork..... 28.20

Profit over feed cost.....\$23.80

With opportunities like this, you're wise to choose the ration that builds fast growth. Purina Pig & Hog Chow helps produce the results you want... helps you make the early high market. So, come in and buy for profitable feeding this year... get the famous Chow in the Checkerboard bag for lots of pork—Purina Pig & Hog Chow.

**Oldtimer Pays Tribute
To William M. Ullrich**

The old timers, and the new to Mr. William M. Ullrich of Rock Lake Highlands wish to express their gratitude for the wonderful achievement and beauty of their subdivision. Mr. Ullrich started and developed Rock Lake Highlands in the year 1929. He personally directed and helped plant all the trees and shrubbery now on property and started to build homes of the more permanent type. Bill Ullrich, being a

very particular and fussy individual, let it be known that he wanted things to be kept in order, and it was a common thing to see him personally get out of his car and pick up anything that would mar the looks of his subdivision, and to get after anyone who became careless, so that everyone who became a lot or home owner-caught the idea and kept their homes in the condition that was sure to meet Bill's approval. All the folks who know Bill Ullrich know him to be a friendly fellow who always means what he says and for this reason they could all

ways depend on him.

The homeowners of Rock Lake Highlands are very proud of their subdivision and owe a lot to the man who made it one of the prettiest lake developments in this part of the

country. Therefore, we wish to give Mr. Ullrich credit due him, with thanks.

**TO BUILD A BETTER
TELEPHONE SERVICE**

New telephone rates...reflecting the first general increase since 1921...have been approved by the Illinois Commerce Commission in its temporary order of June 24. These new rates were urgently needed to help offset the Company's steadily increasing wage costs and other operating expenses since 1940. They're essential for your continued good service.

Here's what we've been doing...and what we're going to do...to provide more and better telephone service for all who want it.

New Buildings, Cable, Wire, Switchboards—Last year we put up more than forty million dollars worth of new buildings, plant and equipment.

This year, Illinois Bell plans to complete over one hundred million dollars worth of additional construction including 7 new exchange buildings, 15 additions to present buildings and nearly a million feet of wire in cable...in order to provide the kind of service you want and need.

Installing 166 New Telephones Per Hour—Last year we installed 352,000 telephones for an all-time record. But almost as fast as we put them in, new orders arrived.

This year, Illinois Bell will spend over ninety million dollars for additional construction including work on 11 new exchange buildings, 37 additions to present buildings and nearly 470,000 miles of wire in cable...in order to provide the kind of service you want and need.

Installing 173 New Telephones Per Hour—Last year we installed 352,000 telephones for an all-time record. But almost as fast as we put them in, new orders arrived.

On the way is the faster, more accurate and more uniform dial service for Chicago and other towns and cities served by Illinois Bell. Speedy dialing of out-of-town calls is not too far in the future, and mobile telephone service for automobiles and ships is already established and growing. Service to planes and trains is next.

Our aim is to make your service still better

To bring you the best service possible...to make that service available at reasonable cost to as many as want it when they want it...that's our big aim. Adequate telephone rates will help us reach that goal. In the long run, they will mean more and better service for your money.

WAUKEGAN CITY WIDE DOLLAR DAY

Thursday, July 31

ANNOUNCED BY THE WAUKEGAN-NORTH CHICAGO CHAMBER OF COMMERCE

An Unusual Opportunity for a Qualified Man

The village of Libertyville, Illinois desires to employ a superintendent of public works. He must be able to direct all needs of a water department, a sewer department and public streets. The man we want must also be an able executive who can supervise departmental employees to obtain their best efforts, and work in harmony.

Somewhere there is a man who will meet these requirements, and who desires to better himself. Position is now available. Applications must be filed before August 5th with the Village Clerk.

Public Works Committee
Village of Libertyville

WILMOT

Miss Lillie Darby, of Antioch, received word of the death of Thomas Fuson, husband of Ethel M. Wright Fuson, of New York, who died of a cerebral hemorrhage on June 30. Funeral services were held in New York July 1, his body was cremated. Mrs. Fuson is the only survivor, she is at Falls village, Conn. Mrs. Fuson formerly of Wilmot, is the daughter of Mr. and Mrs. E. E. Wright.

Misses Erminie and Grace Carey spent Tuesday in Milwaukee.

Dick and Kevin Carey, of McHenry, spent the weekend at the Carey home.

Mr. and Mrs. Walter Frank spent Sunday at Shades Corners with Mr. and Mrs. Walter Rasch.

LAKE VILLA

The Woman's Society of Christian service was a very busy group last week with the bazaar, white elephant sale, luncheon and card party at the school gym, but the ladies feel satisfied with the results and want to thank all who patronized the various departments and made it the success that it was. The society will hold its next meeting with Mrs. Gertrude Wilson in Petite Lake Highlands on Wednesday, Aug. 6. Dessert luncheon at one o'clock followed by business meeting at 2 p. m. Visitors are welcome.

Rev. Dixon has announced the topic, "When Life Reaches Its Depths" as basis for his sermon at the worship service at the Community church next Sunday morning at 11 o'clock. The topic is taken from Psalm 42, verse 7. Summer visitors in our community are invited.

The Official board of the Community church will meet Friday evening, Aug. 1st, with Mr. and Mrs. Charles Hamlin at their home.

A building permit has been issued for a cottage on Lake Avenue to Jack Rhoades.

C. W. Reinebach, Village clerk, wishes to remind those who have not yet purchased their vehicle license tags to do so immediately, as they are past due.

Mrs. Clarence Blumenschein accompanied by her aunt, Mrs. Mabel Baker, of Chicago, left today to visit relatives, the J. C. Johnston family in Ames, Ia., until the first of next

week.

Mrs. Church and daughter, Mrs. Schumacher, of Highland Park, were callers at the Paul Avery, Sr., home last Sunday.

Augie Tanner, of Chicago, is spending his vacation of two weeks visiting friends in Lake Villa.

The Pinochle club met Tuesday last week with Mrs. L. J. Tweed at her home at Monaville for pot luck dinner at 12:30 followed by games of pinochle during the afternoon.

Mrs. L. R. Jeddick, of Chicago, who has a summer home at Crooked Lake came out last week to attend the W. S. C. S. summer sale and party at the school gym.

The Cedar Lake 4-H club girls met on Tuesday last week with their leader, Mrs. Mattson, and the lesson for the day, "Good Grooming Hints," was given by Jean Hawkins. Jeanne Burt read an article on "Hair Styling and Grooming." Refreshments were served after the girls worked on their project.

Mr. and Mrs. Glenn Burt entertained friends from Chicago at their home on the north side of Cedar Lake last Wednesday.

Mrs. Howard Sherwood entertained a group of little folks at a party last Wednesday afternoon to celebrate her daughter, Judy's fifth birthday.

Mrs. Hooper, Mrs. Madsen, Mrs. William Weber, also Mrs. Sophronia Murrie, of Gurnee, enjoyed a meeting of the Past Matrons club of Millburn O. E. S. at the home of Mrs. George White near Hebron last Thursday.

Mrs. Chris Anderson, of Burnett

Ave., visited her sisters at Glenview and attended a family party in Michigan a few days last week.

Dr. Midgley and family left by car early last week to visit his parents and other relatives in Utah during the next few weeks.

Miss Betty Callow, of Menomonee, Mich., spent a few days over the weekend with her aunt, Mrs. Charles Kelly.

Anna Sugar, who with her parents, lived here when she was a girl, now of Philadelphia, is a guest of Mr. and Mrs. Frank Hamlin and of Mrs. Harriet Ballenger. Mrs. Ballenger is enjoying a vacation from her duties at Great Lakes Naval station.

The boys at the Peacock camp for crippled children had their annual party at the camp last Sunday afternoon and put on the play, "Peacock Night Club," in a very fine way, and the 75 or more people present enjoyed it very much. Among those present were the W. G. Reynolds and M. V. Reynolds families, the W. Haerthers, the Dan Boyers and the Carl Nielsons from this vicinity.

Mrs. Ned Grimes came out from Chicago last Tuesday and remained until Thursday as guest of Mrs. Holtz and Mrs. Griffith and attended the W. S. C. S. party and bazaar.

Cedar Lake Camp R.N.A. will meet Tuesday evening, July 29, at the hall for its next regular meeting. Members please take notice.

The Officers' club of R.N.A. will hold its annual public card party at the hall on Wednesday, Aug. 13. All popular games played. Dessert luncheon at 1, cards at 2 p. m. Plenty of prizes.

Miss June Walker is enjoying her second week of vacation with a group of friends at Lake Lawn, Delavan, Wis.

Government Jobs

Veterans rapidly are displacing non-veterans in government jobs, the percentage of federal employees who are ex-G.I.s increasing from 26 to 42 in the past year. California leads the field in the number of resident veterans employed by the federal government, almost 92,000 of a total of 412,912 federal employees in the state being ex-servicemen. New York is runner-up with 80,912 veterans out of a total of 192,598 federal jobholders. The national low, on a percentage basis, is in the nation's capital, where only 32 per cent of 221,288 federal employees are veterans.

Slip behind the wheel of a new Chevrolet and listen while the door swings smoothly closed at your side. Hear that solid, satisfying, muffled "click"! That's quality talking—telling you that here is the all-steel sturdiness and safety, the quiet Big-Car comfort, of the only Body by Fisher in the low-price field!

Give a new Chevrolet its head down the roughest road you can find. Feel how you seem to float over the bumps... how swiftly you ease into a silken stop at a nudge of the brake pedal. Unitized Knee-Action Gliding Ride with Positive-Action Hydraulic Brakes is a comfort-safety combination that can't be beat—a pair of features that only Chevrolet provides!

QUALITY SERVICE, too! There's no place like a Chevrolet dealer's for skilled, car-saving service. Drive in soon—and regularly.

Even the click of the door tells you—here's

BIG-CAR QUALITY
AT LOWEST COST!

Point the eager, shining hood of a new Chevrolet up the highest hill. Notice how you take it in stride while lesser cars labor and falter. That's power for you—the superior pep and performance of the only Valve-in-Head Engine in Chevrolet's price class.

Learn about Chevrolet's low delivered prices... and ask us for some typical owners' reports on operation and upkeep costs. You'll find that only Chevrolet gives you Big-Car Quality at Lowest Cost!

Are you making—

\$30 a month from 100 layers
above feed cost?

With eggs at the price they are today, you can. Poultry raisers who follow good management practices and use good rations—Purina Lay Chow and grain—can make as much as \$30.00 from 100 layers.

To find how much your profit over feed cost can be at today's egg prices, let's look at the following figures:

When eggs sell at 42c a dozen . . . grain costs \$3.00 cwt. . . and Lay Chow costs \$5.20.

1 1/2 dozen eggs per hen per month at 42c doz. 63c

Feed cost per hen per month:
4 lbs. Lay Chow at 5.2c lb. 20.8c

4 lbs. grain at 3c lb. 12. c

Total feed cost 32.8c 32.8c

Profit over feed cost per hen per month 30.2c

Profit over feed cost per 100 hens per month . . \$30.20

So, for profits at today's high prices, get your flock into top production. Choose the ration that has lots of eggs "in the bag"—Purina Lay Chow. Come in—buy your supply now.
